The Story of George

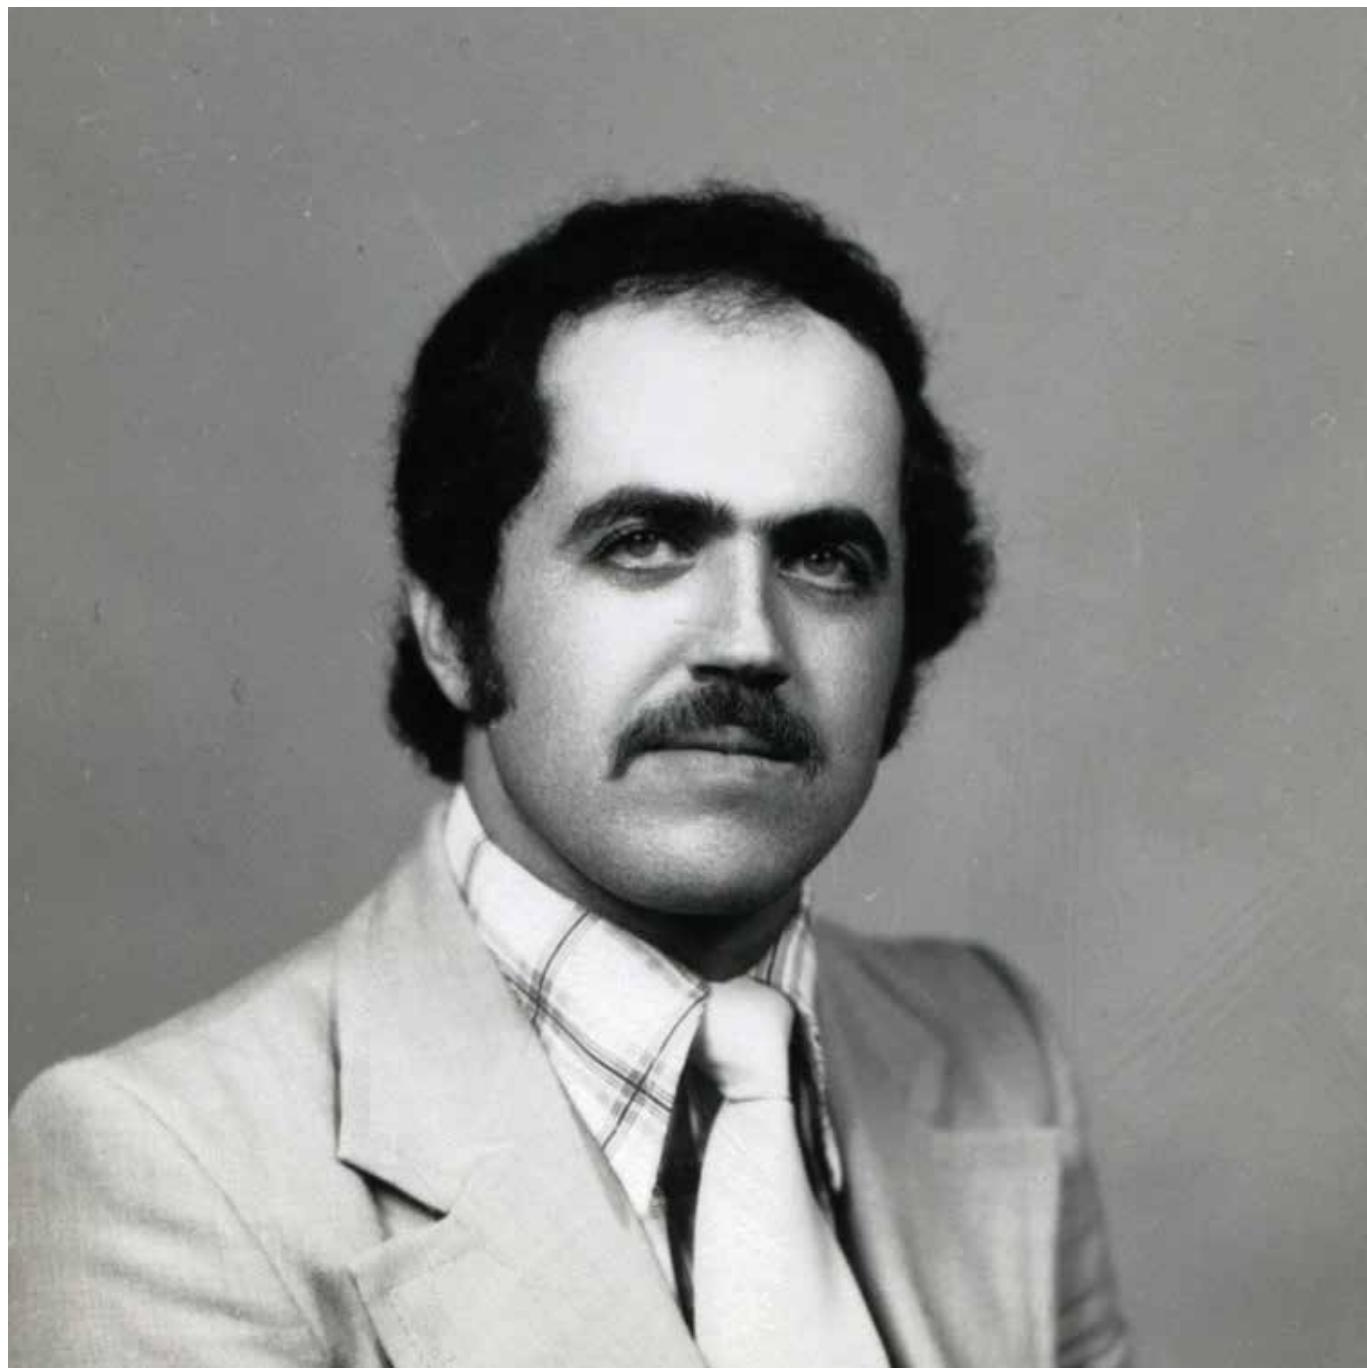

George Khouzame OAM: A Life of Service and Legacy

Born on December 1, 1950, in the village of Assoun in northern Lebanon, George Khouzame migrated to Australia as a young man with a vision to contribute meaningfully to his new homeland. Early in his journey, he established a non-profit assistance centre (Lebanese Welfare Centre) dedicated to supporting newly arrived migrants as they navigated and settled into their new lives in Australia.

George became widely known as an unsung hero within the Lebanese migrant community—his legacy defined by humility, generosity, and an unwavering commitment to service. His quiet strength and compassion left a lasting impact on countless lives.

Echoing the words of former Mexican President Adolfo López Mateos, who once said, “Anyone who does not have a Lebanese friend must look for one,” George embodied the very essence of that sentiment. He was the kind of friend everyone hoped to have: warm, cultured, generous, and full of life. His passion for family, food, culture, and community was the foundation of a life devoted to giving and uplifting others.

Be Part Of The Story ..

On The 26th January 2015, Our Father George Khouzame Was Awarded The Order Of Australia Medal (OAM) For His Contribution To The Australian - Lebanese Community In NSW.
