# VENUE CONDITIONS

## **MUSIC & SOUND**

Per the conditions of our lease, excessive sound and loud music, including but not limited to the below mentioned are not allowed:

- Lebanese drums, or any percussion instruments
- Other non-acoustic instruments
- Any excessively speaker amplified music, and
- Music louder than what classifies as, "reasonable background music".

Music is allowed and welcomed, although the above must be adhered to. We have sound limiters which will not allow sound to go above building management's agreed level. If sound goes above this limit, music is automatically shut off.

## **PROPS & DÉCOR**

The only item currently not allowed are helium balloons. This is due to the costs associated with retrieving them from our ceilings when they float, and the loud noises caused when deflated or popped.

We encourage you to speak with your event manager to discuss the details and logistics of your prop and floorplan if this is applicable to the service you are providing.

Bayti restaurant does not take any responsibility for any broken or missing cutlery that has been hired.

## **SMOKING**

Smoking inside the venue and within our outdoor seating/lounge area is not permitted under any circumstances. This includes cigarettes, cigars and vaping. Our staff reserve the right to request for anyone not complying with this rule leave the venue.

## **RUBBISH**

Please note all Rubbish will need to be taken off site.

Vendors are responsible for disposing of their own rubbish following bump in and bump out. In the event you would like to organise for your rubbish to be disposed of by BAYTI, a fee may apply.
